Term Two 2022

It's been another stupendously busy term at The Den with a bustle of craftiness a plenty! With the nights drawing in and the chilly spell affecting outside play we have brought a greater focus on keeping busy indoors. Outside play still happens though and we often head straight out after school for a blast of fresh air before a well deserved snack!

We've been stretching the opportunities for our children and I hope you'll agree that we have been providing fun, educational and engaging activities for them - they have certainly responded brilliantly!

We've been creative with Bonfire Night activities (seems like a long time ago now!), created origami characters, had our own week of game creations and playing, celebrated St Andrew's Day and, of course, have enjoyed all the fun that comes with Christmas crafts and baking.

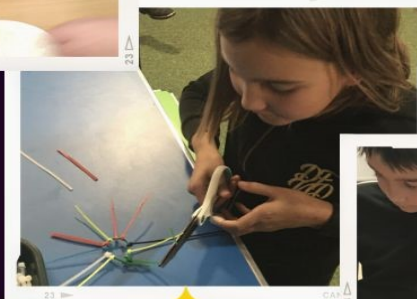

What better way to share that business than in photo form - I hope you enjoy seeing the children enjoying their time with us!

Thank you for your continuing support and may I take this opportunity to wish you and your wonderful families a super Christmas break.
