

## **Missing Child Policy**

A child can be classed as missing or lost if they have been left unsupervised or unaccounted for (so staff are not aware of them being within sight or hearing) in a room or the outside area of the setting or further afield for 2 minutes or longer.

### ***If a child goes missing from the setting the following actions will be carried out:***

- The person in charge will carry out a thorough search of the building and garden
- The register is checked to make sure no other child has also gone astray
- Doors and gates are checked to see if there has been a breach of security whereby a child could wander out
- The person in charge talks to staff to establish what happened
- The person in charge talks to children (using wording so as not to upset the children) to establish what has happened
- If ratios allow staff members can search the nearby vicinity
- If the child is found parents/carers will be informed when the child is collected that day. The situation will be explained and what will be put into place to prevent this from recurring.
- If the child is not found, the parent is contacted and the missing child is reported to the police
- The advice of the police is followed
- All remaining children will be kept calm

### ***If a child goes missing when away from the setting (e.g. from an outing) where parents are not attending and responsible for their own child, the setting ensures that there is a procedure that is followed:***

- As soon as it is noticed that a child is missing, staff who are with the group/ on the outing ask children to stand with their designated person and carry out a headcount to ensure that no other child has gone astray
- One staff searches the immediate vicinity but does not search beyond that
- If the child isn't found then the lead staff member contacts the venue's security who will handle the search. The venue security will be made aware that parents are about to be contacted so some discretion can be used until this has been done.
- If the child is found parents/carers will be informed when the child is collected that day. The situation will be explained and what will be put into place to prevent this from recurring.
- The person in charge is informed, if she is not with the group and makes her way to the venue to aid the search and be the point of contact for the police as well as support staff
- The person in charge of the setting contacts the child's parent (before she/he makes her way to the venue) who makes their way to the setting or venue as agreed with the person in charge
- The lead staff member contacts the police using the mobile phone and report the child as missing
- The advice of the police is followed
- All remaining children will be kept calm
- Staff take the remaining children back to the setting
